

Environmental, Health and Safety Policy (ISO 14001-2015 & ISO 45001-2018)

Doc No	CR-EHS-009
Rev	00
Date	01-09-2024

Creatons Industries manufacturer of **Electronic Printed Circuits Boards Assembly and Assembly of Electronics Product** is committed to a safe, healthy and clean work environment impacting those working on, visiting or living near the company's facilities.

Creatons Industries is committed to make, handle, use, transport, sell or dispose of product in a safe and environmentally sound manner. Creatons Industries aims to prevent occupational injuries and ill health to any employee, contractor, service provider or visitor, through the following actions:-

- Integrate **EHS** management system within day-to-day operations.
- We comply to external legal requirements and internal directives; we make decisions to assure conformance.
- We are determined to eliminate **Hazards** and reduce **Risks**.
- We invest in resources and training to support **EHS** vision and goals.
- Our aims to zero work related injury and illness, prevent pollution, maximize recycling and reduce wastes, and emission.
- Conserve natural resources through responsible and efficient use of all our operations.
- Involve all employees in implementations of **EHS** policy.
- We continually improve our **Safety & Occupational Health and Environment** Systems by benchmarking other leaders and by learning from our own mistakes.
- We set **EHS** goals and objectives, monitor performance, and report our progress internally and externally.
- We start and sustain relationships with Suppliers, Contractors, and Customers only under the condition that **Safety** commitments are agreed and met.

Creatons Industries is committed to the continual improvement of its **EHS** performance.
